

Personal Recommendation

I, Attila Fulop, as the former PR Manager of Coca-Cola® Hungary, hereby confirm that Norbert Banhalmi worked as the official photographer at the cultural and music festivals of Coke Club© of Coca-Cola® between 2008 and 2012.

Norbert is an excellent professional to work with, always punctual and able to work on his own. His photos and videos were a great deal of help with the press communication of Coca-Cola® Hungary.
